PROJECT

Bedding Essential Packs

A neighborhood drive for The Green Chair Project

Let's join together to support The Green Chair Project by providing home essentials to families in Wake County during this crisis. Let's work together to collect new bedding to be delivered with their Sweeter Dreams bed deliveries as they work to provide every child in Wake County a bed of their own to sleep in at night.

Will you help collect items for a Bedding Essential Pack?

A Bedding Essential Pack should include the following items in a NEW laundry basket.

- 1 set of gender neutral twin size sheets
- 1 gender neutral twin size comforter
- 1 standard size bed pillow
-
- Optional add on items if available:
 - twin size bed blanket
 - tooth brush
 - toothpaste
 - dental floss
 - mouthwash
 - books for any children's reading levels

*return your items to your neighborhood captain
