

Kitchen Essential Bundle

A neighborhood drive for The Green Chair Project

Let's join together to support The Green Chair Project by providing home essentials to families in Wake County during this crisis. Green Chair is working with other local nonprofits to provide food assistance. We want to make sure recipients of these items have a way to prepare and cook them in their homes.

Will you help collect items for a Kitchen Essential Bundle?

A Kitchen Essential Bundle should include the following items in a NEW tall trash can:

- 1 frying pan
- 1 8 qt. stock pot
- 1 can opener
- 1 spatula
- 1 long handled spoon
- 1 cookie sheet
- 1 chef knife
- 1 set of measuring cups
- 1 set of measuring spoons
- 1 pot holder
- 1 cutting board
- 1 dish towel

Check out Green Chair wishlists at these online retailers

Thank you for supporting The Green Chair Project's efforts to assist families in need during this crisis!
