

## 75 Years and Beyond

On Pentecost 1946 White Memorial was organized. Our congregation is still blessed with members who were children then and can remember the first church meetings at the Colony Theater and the move to Oberlin Road. Photographs from that time show a young and energized congregation; people ready to witness to the gospel through the confessions of our tradition; people ready to serve their neighbors in a growing Southern city. In large part, we are here today because of their vision and devotion. Before anything else, let us thank those organizing members: those upon whose shoulders we stand today. Let us thank Lynn Brown, Ed Pickard, and Art Ross, who pastored our church through 65 years of our vital history.

Last weekend, Brian Blount, President of Union Presbyterian Seminary, taught and preached at White Memorial in honor of our 75th anniversary. Brian taught from Romans 14; he dug deep into our theme of “belonging to God and belonging to each other.” He rightly described this dual belonging as a high calling: as full of challenge as it is opportunity. He preached from John 2, where Jesus turns water into wine, extending a wedding feast. In this way, he preached, Jesus becomes a co-host of the wedding banquet; he becomes a co-host in joy and celebration. The primary sign of this co-hosting of Jesus is the miracle itself; the secondary lesson is that if we are to follow in the way of Jesus, we must be willing to co-host other opportunities which are within our grasp. Our future, he said, would be defined by serving others, welcoming others, and supporting others as we co-host with Jesus. He called our church to continue our work; to expand our work and witness. It was a fine sermon and the right tone to begin our 76th year.

Make no mistake, the past year was a strange one at White Memorial. In many ways it was a hard one. It was certainly not the 75th year build-up that we had planned. But we not only survived, in many ways we thrived. What greater gift have we to offer than faithful ministry in Jesus’ name and the obligation to co-host with him the love of our neighbors and service in the city, state, and world? The true inspiration of a 75th anniversary lies in the celebration of the past and in the obligation to the future.

May grace abound,

Christopher Edmonston  
*Pastor*

### IT'S APP TIME!

Two years ago, we migrated our church management system from ACS to Church Community Builder (CCB). At the time when we made that transition, we anticipated a quick release of an App that would give you access to your giving, groups, directory, schedules and more.

Just before the close of 2019, our merchant, PushPay, purchased CCB. The acquisition plus the onset of COVID-19 delayed further development on the new platform. We are happy to announce that CCB and PushPay have enabled [ChurchStaq](#) for White Memorial.

**You can now find your transaction history, group access, the WMPC directory and Check-In in the WMPC app. All you need to do is login.**

**FIRST**, if you haven't already downloaded the WM app to your smart phone or tablet, we encourage you to do so now. Simply, go to the app store and type in 'White Memorial Presbyterian Church' and install. Now you're ready to login.

#### STEP 1:

The first step to logging in is to find the circular profile icon in the upper right-hand corner of your screen. When you tap on that blank circle, you will see a greeting and a prompt that says, "Sign in to edit your profile." Click that prompt and you will be led to enter your cell phone number.\* You will then be sent a code that will verify you are...you. Once you enter the code, you are logged in; in some cases, you may be prompted to enter additional information as well.

From here you can see your app notifications, push pay transaction history, and other giving. At this time, you cannot edit recurring giving directly in the app. You can achieve this by signing in again through the giving link, but it is not native in the app, yet.

\* **NOTE:** If you have a CCB login, please make sure you use the same phone number and email on record.

#### STEP 2:

We encourage you to do one thing before you leave your log in screen and giving page. Update your picture! By updating your picture, your CCB profile will now have an accurate picture of you and your family. Your church community will see who you are when they are in the app or on their desktop.

#### STEP 3:

Once logged in, you may now go to the "Connect" button at the bottom of the home screen and click on "My Groups and Directory." Any group you are in will be listed here. If you would like the directory, find the "@WMPC Directory" for a full listing of members. By clicking on "view all" you will be able to text, call, or email individuals directly from the app. This application does not share address information. However, you may login to CCB from the website to view the full profile of a member. Note, you may choose to share or not share information you are not comfortable sharing. If you choose to hide information, members will not have access in CCB or our church app.

### CHECK-IN APP NOTE:

By the fall, we will begin using Check-in at least for Sunday School, youth, and other groups. We are exploring how we might use the feature for worship. Stay tuned and see [this link](#) for how we may use Check-In soon.

There is no way we could have known the massive transitions we would experience in 2020. When we moved to CCB, we did so with the vision of building an ecosystem that was highly adaptable and easy to integrate with changing needs. Today, CCB integrates with our other mailing systems, e-news, Brushfire, PushPay, Church App, Streaming, SharePoint services and much, much more. We look forward to new features becoming available and being able to share them with you to enhance our life together as a worshiping community. Thank you for your patience while we created this new system. We are ready to assist you so that you can start using it today.

**P.S.: THE LEAD APP** is active and will continue to be a vital tool for leaders in the church. The LEAD APP gives a full complement to CCB for managing groups. If you are a small group, class, or committee leader, the LEAD APP is for you.

For the month of June we will be collecting food items for the **Boys and Girls Club of Raleigh**. Items are listed below and can be left in the red bins in front of the Witherspoon building.

- Rice
- Dry or canned beans
- Canned tomatoes
- Juice boxes
- Maceca Corn Mix (Tamal brand)
- Soft tortillas

**THANK YOU!**

## THE LITURGICAL ARTS GUILD PRESENTS: The art of WMPC member Linda Scott

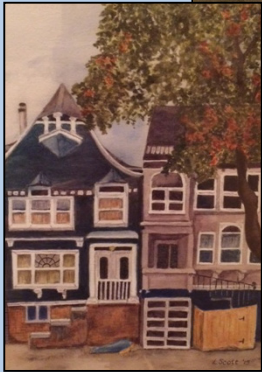

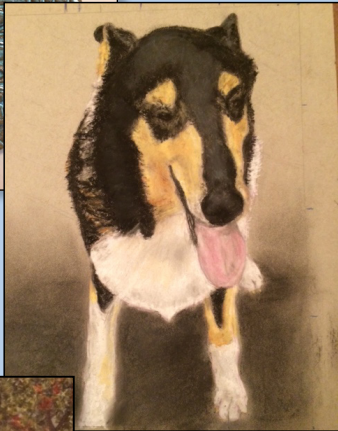

Recently, the Liturgical Arts Guild offered an open invitation for members to showcase their artistic talents. Over the summer we will be sharing some of their submitted features. We hope you enjoy as much as we do.

### A look into Linda's Inspiration & Art

*"After spending many years immersed in numbers, spreadsheets, emails and meetings, I retired from work in 2016. It was then time to explore some fun activities that I had not previously had time for and develop some new interests. Sertoma Arts Center offers many different art classes, so I began taking classes in watercolor painting, pastels, colored pencils, drawing and pottery among others. I enjoy taking an idea and creating a drawing or piece of sculpture, choosing colors and textures for a small art piece. I am inspired by watching and learning from the gifted art teachers I have encountered in these classes. I am so looking forward to starting classes again as the world opens up."* - Linda Scott

Do you have an artistic talent you'd like to share with the congregation?  
Whatever your medium we'd love to see.

Please send photo(s) of your work to

Where's  
Glo-Jo  
Going?

SHE'S ON A MISSION  
TO DELIVER GRANTS  
TO THE COMMUNITY.

Associate Pastor of Outreach Gloria Johnson (aka Glo-Jo) works closely with the Community Allocations Committee at WMPC to ensure budgeted funds allocated by the Outreach Committee turn into grants for the community.

The Allocations Committee awards grants each year to non-profit agencies in Wake County that are working to meet basic human needs, teach life-coping skills and promote self-sufficiency. Through the agencies funded, we endeavor to establish strong, collaborative relationships and mobilize our members as volunteers in addition to providing financial support.

Through a wide range of services we support in our community, we can meet some of the most pressing and urgent needs as well as the needs that continue over time. Traditionally, we seek to support agencies with funding who have strong congregational support through personal giving and volunteer hours or have a particular focus that meets a need that we have identified as vital in our community.

#### OUR AREAS OF FOCUS ARE:

- Hunger
- Transitional and Affordable Housing
- Adults/Children with Special Needs
- Homelessness
- Children/Youth at Risk
- Crisis Intervention/Life Skills
- Affordable/Accessible Health Care
- Mental Illness
- Older Adults

There are agencies that we have partnered with over many years and some that are just beginning to address community needs. We believe that by working with established agencies that are already meeting community needs we are supporting their efforts and making our community a better place for its residents.

#### THE GOALS OF WMPC COMMUNITY ALLOCATIONS COMMITTEE ARE:

1. Provide grants to community agencies, and be good stewards of the funds given by our congregation.
2. Raise awareness in our congregation of community needs and to direct our outreach focus.
3. Establish relationships in the community which are in line with the church's mission.
4. Make a positive community impact in a variety of areas.

In recent years, White Memorial has budgeted about \$210,000 for allocation to Wake County non-profits that align with our mission to the community. This is in addition to our other outreach efforts. Historically, the committee has limited the number of non-profits it will give to in any year to about 40, so the average gift is \$5,000 to \$6,000.

Visit our website ([whitememorial.org/outreach](http://whitememorial.org/outreach)) to find a list of the current non-profits we partner with to provide grants and volunteer support.

If you would like to know more about Community Allocations please contact Gloria Johnson at [gjohnson@whitememorial.org](mailto:gjohnson@whitememorial.org).

# LIFE, AND ACCIDENTS, HAPPEN!

Do you feel like part of your life is a wreck? Have you hit a wall and find it hard to balance family and work life? Does life feel like it's not all it's cracked up to be? Would someone to walk with you on your journey to provide companionship and support be helpful?

Stephen Ministers are trained to be and want to be that Christian companion. Please consider a Stephen Minister as you search for the pieces and peace you need. The relationship and information exchanged is free and confidential, a safe place to say aloud your thoughts and concerns.

# WMPC MAJOR MISSION 2021

**OUR GOAL IS TO RAISE AT LEAST \$100,000.00 FOR TLC, AND EVERY DOLLAR RAISED WILL BE MATCHED UP TO \$50,000.**

Major Mission at White Memorial is a church wide fund-raising effort to help organizations in the community and the world that are in the process of building new facilities, renovating or undergoing expansion.

For 2021, TLC (Tammy Lynn Center) is our Major Mission. Since the early 70's, TLC has provided hospital-level care with 24/7 support within a home-like setting for children and adults with intellectual and developmental disabilities. In five years, their number of clients has doubled. By 2040, Wake County's rising population will have an estimated 38% increase in the number of people living with an intellectual or developmental disability. TLC's current campaign - *Igniting Hope Together* - their 50th anniversary campaign is for building and revitalization needs. Their top priority is the construction of a new Intermediate Care Facility for the most medically fragile of their residents as well as repairing masonry and structural issues, outdated plumbing and sprinkler systems, inefficient living and working spaces, accessibility issues, and emergency access needs.

Our goal is to raise \$100,000.00 for TLC. Please join this effort in making TLC a caring and compassionate place to live.

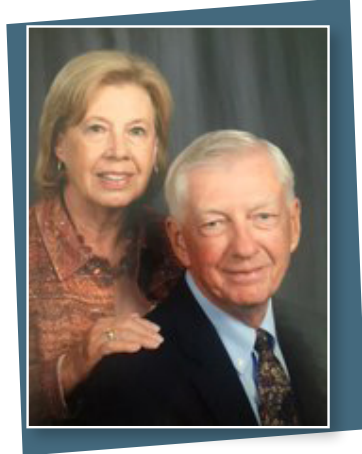

Please make a gift to support WMPC's 2021 Major Mission Partner. [You can also give online.](#)
