

PARTY CHEESE DIP

Ingredients

2 8oz packages cream cheese softened

1 package dry ranch mix

6 green onions thinly sliced

¾ cup beer (nothing super fancy)

8 oz finely shredded cheddar cheese

Instructions

Make the night ahead of your party.

Mix all ingredients together in a large bowl. It will look soupy, but it will set up.

You can mix by hand, but using a mixer may be easier.

Serve with thick pretzels!
