

Especially for our White Memorial Families with Children:

Spend Time with God

A family devotion kit designed to provide weekly worship-filled fun!

- For our families who already have this resource: here's a reminder to enjoy *spending time with God!*
- For other families –you can make this kit at home by printing the additional attached documents and adding a candle, Bible, and hymnal (or computer device for accessing the sacred music suggestions).
- Here's another way to ***Spend Time with God***: drop by church to pick up a pre-made kit! A bin of pre-made kits is waiting by the door (right side) to the Witherspoon building. Supplies limited. One per family, please.
